

Reunion / Accountability / Next Steps Groups

(As of June 2017 there were no Next Steps groups currently active; please visit our website for details new groups starting up)

Join a reunion group

Late one night a man sat at his fireplace and watched the last flames dying away. After one final flicker all that remained was a faint red glow, and after a while even that was gone.

The next morning, cold and dark, he felt put out that he had to gather paper and kindling and begin all over again to get a decent fire going. Beginning to shovel out the ashes he suddenly came across the tiniest red glow at the end of a burnt out log. What a joy .. There was just enough life in that tiny spark to create the blazing fire again. Paper and kindling added, he watched as it grew brighter and then burst into flame.

When our first love fire beings to feel cold, grey and lifeless, God has the patience to search out that tiny, hidden spark, and breathe life back into the fire of our love for Him.

Keep the fire alive - keep His lovelight burning in your heart - join a reunion group near you, or, if there is none in your area be brave, find some other Emmaus-ites and begin one.

Find the group in your area, call the 'Contact' person and make a plan to attend. Meeting this way gives us the opportunity to keep the fire burning, keeps us accountable, [remembering our promise to "count on Him" as He "counts on us"], and also provides opportunities to design and make agape gifts for the next Walks.

Your walk or flight does not need to stop here! Keep your heart burning within, keep in touch with your new friends (and make a few more!) and keep the spirit of Emmaus / Chrysalis alive by joining an accountability group as soon as you can. Remember these groups are not to replace your church cell and bible study groups. Find the group closest to you from the list above.

Do you want to start a group in your area? Any queries regarding accountability/reunion groups can be directed to Viv Barton at 082 880 5099 or email fourthday@pe-emmaus.co.za
